VOLUME 2
Section 1: Technical Specifications

SUMMARY OF CONTENTS

Part	**Description**
Part 1	Project Details
Part 2	The Site
Part 3	General Requirements
Part 4	General Workmanship, material And Design requirements For Plant
Part 5	Process Requirements
Part 6, 7, 8	Standard Basic Specifications (Electrical, Mechanical and Instrumentation & Control works) *Refer separate bounded volume*
Part 9	General Painting and Protection Requirements
Part 10 A	Standard Basic Specifications (Civil, Structural and Sewer Network Requirements) *Refer separate bounded volume*
Part 10 B	Particular Technical Specifications for Civil, Structural and Pumping Main/Sewer Network
Part 11	Particular Mechanical Requirements for TSPS and STP
Part 12	Particular Electrical Plant Requirements
Part 13	Particular Instrumentation & Control Requirements
Part 14	Inspection, Testing and Commissioning Requirements
Part 15	Training and Advisory Requirements
Part 16	Operation and Maintenance
Part 17	Handing Over
